In the Spring, our performing groups plan to test their skills in out-of-state competitions. Please help send us on our way by contributing as Booster, or by placing a business or personal ad in our Annual Program.

The Annual Program (or "Ad Book") is a quality publication. It is distributed to hundreds of concert-goers throughout the year, and is a great place to show your family's or company's support of our award-winning student musicians!

Full-Page, Half-Page, and Quarter-Page Advertisers get great coverage and Boosters get a one-line spot in a special section of the Annual Program.
